

Specializing in data manipulation, statistical analysis, and visualization, I uncover actionable insights and support strategic decision-making. With extensive experience in consultancy, I have honed my ability to collaborate with diverse teams and deliver data-driven solutions. My background in graphic design enhances my capability to craft visually compelling and impactful narratives from complex data. Currently pursuing the Professional Business Analyst Certificate to further strengthen my ability to align data insights with business objectives

EXPERIENCE

BUREAU VERITAS

STATISTICS ANALYST | Riyadh, KSA 2023 – present |

National Center for Environmental compliance project – MODON Project

Data Analysis and Interpretation: Conducted comprehensive statistical analyses on various datasets to provide actionable insights for business strategy development and societal impact assessments.

Reporting: Developed and maintained detailed reports and dashboards, utilizing tools such as Excel, SQL, Queries and Power BI, to effectively communicate key metrics and findings to stakeholders.

Data Visualization: Created clear and visually compelling data visualizations to simplify complex data and highlight important trends and patterns.

Stakeholder Collaboration: Collaborated with cross-functional teams, including marketing, finance, and project management, to align statistical insights with business objectives.

ENTERTINMENT EVENTS

Co-founder | Riyadh, Saudi Arabia 2020 - 2023

As a co-founder, I embarked on an inspiring journey to bring a groundbreaking project to life, starting from the ground up. From the inception of the idea, I collaborated closely with my fellow co-founders to turn our vision into a tangible reality. Our venture was born out of a shared passion and a collective desire to address a specific problem or opportunity in a unique and innovative way. The journey was not without its challenges.

ATOOL CATERING CO

DATA ANALYTICS | Riyadh, Saudi Arabia 2018 - 2019 ADMINISTRATIVE EMPLOYEE | Riyadh, Saudi Arabia 2019 - 2020

My role was instrumental in helping the company make informed decisions, optimize operations, and enhance customer experiences. I worked in accounting section as a data entry.

MARKETS & MALLS CO

DATA ANALYTICS | Riyadh, Saudi Arabia 2018 - 2019 ADMINISTRATIVE EMPLOYEE | Riyadh, Saudi Arabia 2019 - 2020

I played a crucial role in ensuring the smooth functioning of the organization. Effective communication was at the heart of my role. I interacted with clients, both in person and by email, providing them with essential information, scheduling appointments, and addressing their inquiries promptly and professionally.
